I'll show you how to change the oil in your Honda engine. Changing the oil using manufacturers suggested oil weight will keep your Honda engine running for many years to come.

Changing the oil in your Honda GCV 160 lawn mower engine

I have a Husky pressure washer with a Honda GCV160 engine. I regularly change the motor oil. The engine started to burn oil at rate of about 1/4 quart every hour of operation. I've rebuilt many small engines in my day and will order replacement valve seals and piston rings. Since I don't have a service manual for this engine and therefore don't know the proper torque values to split the case I ...
